Pyramid Staff Dedicates Yearbook To Coach Gary "Bear" Glenzy

The Pyramid Staff takes great pride in dedicating the 1979 yearbook, "Collage", to Coach Gary Glenzy.

Coach Glenzy graduated from Southeast Missouri State University at Cape Girardeau, Missouri, with a degree in Physical Education. He was first hired to teach and coach football in Chaffee, Missouri, where he worked for three years. He was so respected by his squad, that during the last assembly, he was awarded a 'POOH' Bear as a gift of remembrance from his Chaffee team. A few of the Chaffee boys further explained that during Glenzy's last football season, they felt as though they were bear cubs with Glenzy as father bear, guiding and teaching them. But how the nickname "Bear" arrived in Pinckneyville is still a mystery.

During the past nine years, Coach Glenzy has taught Driver's Education, History, and Physical Education, as well as coached baseball eight years, wrestling seven years, basketball four years, and football 9 years. He is presently teaching Physical Education and is Head football Coach. For the past two years, he has been Athletic Director, which consists of many long hours spent scheduling all sporting events for the boys' and for the girls' teams. This is one position for which enough credit and thanks can never be given.

As Head-Football coach, Glenzy has worked many long, hard, and hot hours during the summer, preparing the Panthers for the approaching football seasons. The season begins approximately two weeks before classes with two practices a day — one morning practice and an afternoon or evening practice. However, when classes do begin, at least three to four hours are spent on the football field preparing for each week's opponent. This time excludes many hours of game preparation, strategy plans, and chalk talks that are the responsibility of this man. The time he has devoted to the athletes at PCHS has paid off. Coach Glenzy has produced some of the finest teams in Southern Illinois as well as a top contender for our own Southwest Egyptian Conference crown.

Coach Glenzy's wife, Rosemary, teaches third grade at Pinckneyville Grade School. They have one daughter, Genea, a ten year old, fourth grade student at St. Bruno's Catholic School. These two ladies follow his teams with cheers and moral support both on and off the field. Coach Glenzy's family knows the meaning of "eats, drinks, and sleeps" football. Not only in the fall, but all year around, he never stops mentioning new football plays and strategies. It is not unheard of for him to be talking football while walking down the street and stopping to diagram a play in the dust on a car.

When Coach Glenzy finds spare time, a few of his hobbies include fishing, golfing, cooking and gardening. He also enjoys bowling, softball, bicycling, jogging, weight lifting — almost anything to do with sports.

The Pyramid Staff of 1978-79 began the year with the distribution of assignments. Dedication and the yearbook theme were decided prior to any layout completions. March 5 was designated as the first deadline of forty completed pages, followed by deadlines of April 5, May 5 and June 5. All pages were expected to be completed a week in advance of the designated deadline. The yearbook photographers were responsible for the shooting and processing of all pictures needed.

The entire staff, along with co-sponsors Susan Henry and Glen Hamilton, attended the Southern Illinois School

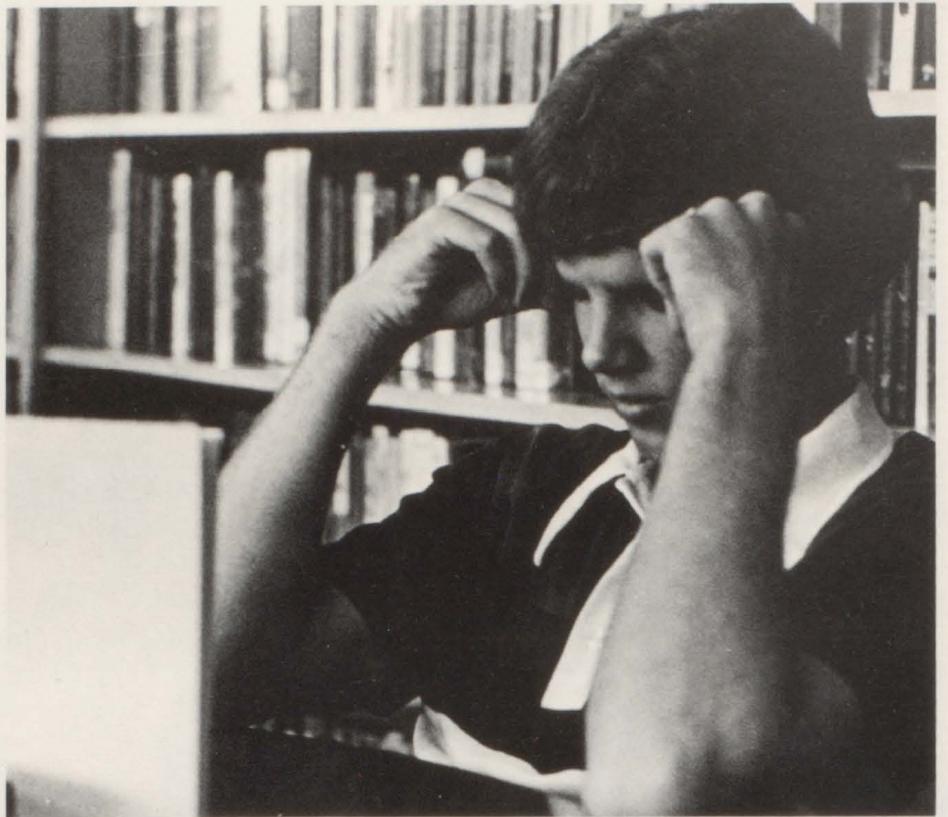

Press Association (SISPA) Conference which was held at the Student Center of Southern Illinois University on April 6. In addition to the yearbook and newspaper awards, individual awards were also presented. Russell Black received second place in the special effects category and third place for activities with photographs that he submitted to the contest. An honorable mention was given to Mary Urbanek in the copyblock category. Mrs. Henry was a member of the advisory council for the preparation of yearbooks. Yearbooks from area schools were on display and layout and photography ses-

sions were attended by the staff members. After lunch, a short film of award-winning commercials regularly shown on national and international television was presented.

At the close of the school term, the Pyramid Staff and co-sponsors celebrated with a semi-formal dinner. Gratitude was expressed and each member was proud to be a part of the school's book of memories. The staff's school year collage is now formed with feelings of determination and frustration, anxiety and accomplishment, and the self-satisfaction that each human being yearns to experience.

Bill Pyle of Southern Illinois Talent

The 1978-1979 school year fashioned a collage of changes and additions to the usual routine of events. Greg Hale, Robert Vanderjack, David Vroman, and Brenda Yates joined the teaching staff. The first semester began with the football season as the Panthers achieved a record of 7-2. Homecoming week created school spirit and team loyalty. Bill Pyle, an advisor from the Southern Illinois Talent Search Center at Carbondale, addressed the Senior class with information pertaining to college and future job availabilities. For the first time, the wrestling team was supported by cheerleaders, who were also members of the pom-pom squad. Helen Dry, a business teacher for more than twenty-five years at PCHS retired after the first semester. Her teaching position was filled by Melissa Rheinecker.

Have an Easter Vacation

The Sophomore boys take a break from studying.

The second semester began with the annual Heart Fund Fair. A spaghetti supper was served by FHA and FFA organizations. The Panther basketball team received the "Team of the Week" award from the WCIL radio station and won the Regional Tournament. Thirteen juniors and seniors competed in the Rend Lake JETS tests. The team received first place in team competition and many individual awards were also obtained. An Easter vacation of six days was taken by the students and faculty. Fran Stephens, a recent teacher at PCHS, replaced Brenda Yates during the month of May. In the past, final exams were not required to be taken by most of the seniors; this year the school board voted to change the rule and final exams are a graduation requirement. A collage of parties and dinners were held by most organizations at the end of the school year for a final reunion of all of the group's members.

Board Purchases New Buses for School Year

Board of Education. Richard Luke, Charles McKinney, Alan McClurken, John Stumpe, president; Stuart Wright, Charles Thomas, Dean Crumbacher, secretary.

The School Board has done many things over the past months to improve the school and campus. Ceilings were lowered to help cut down on the expense of heating, and new lighting systems were purchased for each classroom. Two school buses have been purchased, one is in use this year and the second will arrive for use during the 79-80 year. The Board also approved the addition for the Industrial Arts building.

Staff Keeps Busy at PCHS

Cafeteria Personnel. Mabel Woodside; LaVerna Schwarz, Cafeteria Manager; Clara Eisenhauer

The positions fulfilled by the PCHS Staff joined together to create a collage of efficiency. The secretaries filled the needs required by teachers and students to keep the school functioning smoothly. Their "behind the scene" duties included keeping attendance records, typing the daily bulletins, and greeting visitors to the office. The cooks provided and prepared full course meals for students eating in the cafeteria. They were also responsible for keeping the kitchen and dining area clean to meet state requirements. Mrs. Stumpe helped with all medical needs. She assisted Mrs. Longshore with the sight and hearing tests and emergencies that occurred.

The janitors worked to keep PCHS neat. They were responsible for the maintenance of the buildings and yard, as well as cleaning up after extra-curricular activities such as basketball games. During the second semester, Virginia Smith and Don Toler joined the janitorial staff.

The bus drivers' duties not only included the daily rounds which began early in the morning, but also making sure that the athletic teams and school clubs arrived safely to their destination. Charles Morton became a member of the personnel by joining the bus drivers' staff during the second semester of the year.

The graduating seniors of 1979 began their collage of activities with the creating of the Homecoming float. The class participated in the sale of magazines and Stanley products, with proceeds going to the class trip fund. Money was also raised by the seniors who worked in the concession stands at football and basketball games.

Each senior was confronted with the decision of choosing his career, and many planned to further their education by going to college. Seven seniors were named Illinois State Scholars. The award was based on ACT scores, class rank, and individual achievement. Other awards and scholarships were also received by some of the outstanding students.

The 1979 Prom was hosted by the Junior class in honor of the seniors. It was able to bring the students together for one last time in a social activity. Once again the Senior class traveled to Nashville, Tennessee for the class trip. Going to Opryland and the Grand Ole Opry was the highlight of the weekend. Finally graduation brought the seniors' four years of high school to a close with the reflection of years gone by, the smiles and tears of today, and the challenges of the future.

The Juniors faced this year with anticipation toward a collage of many challenging activities. The Junior Class Congress, along with the assistance of many other juniors, donated their time to complete the class of 1980 float for the Homecoming parade. They received second place with the theme of "Shake the Jackets." They also obtained the Homecoming Queen title, Christmas King and Queen titles, and the Sweetheart Queen title.

With only one year remaining in high school, many juniors have begun planning for the future. One preparation toward this goal was taking the ACT test at Carbondale. Another activity that the Juniors shared was receiving their class rings.

Among all of the activities undertaken by the juniors, hosting the prom occupied much of their time. Throughout the year, the Juniors were busy raising money for the prom with various activities. Record sales and cake shoots provided adequate funds for this annual event.

Sophomore Homecoming Float Takes First

Class Officers. Jane Giacomo, Vice-President; Scott Kimmel, President; Cathy Schubert, Secretary-Treasurer.

By the time a student is a sophomore, the collage of high school life is half filled. A better understanding of the academic and social aspects has been formed. The sophomores of 1979-1980 had a very eventful year. In the field of athletics, a decisive football conference championship was gained. Sophomores also received recognition, with "Raid the Jackets," by winning the float competition in the Homecoming parade. Other events taking place included serving at the prom, taking the ASVAB tests, and obtaining the long-awaited driver's licenses. Now, further steps must be taken toward the completion of high school years and toward the future.

Class Officers. Erna Rheinecker, President; Belinda Chapman, Secretary-Treasurer; Rod Chapman, Vice-President.

The Freshman class has begun collecting pieces of their high school life for their collage. Their main activity was selling candy to raise money for future projects. They also contributed to the Homecoming parade with their class float entitled "On The Road To Victory." The freshmen had the opportunity of taking the NEDT test in the fall, which furthered their academic experiences.

Even though their collage has just begun, it is already filling with many exciting events. The freshmen await future learning experiences in their remaining three years of high school.

Homecoming Week Brings Out

Crystal Ridgeway goes all out on Cat Day.

The 1978 Homecoming Days included Cat Day, Dress Down — Hat Day, 50's Day, and Blue and White Day. The Variety Show was a success with the announcement of Homecoming Queen, Jeanne Templeton. The annual Bon Fire was scheduled after the Variety Show but was cancelled due to weather conditions. Although Homecoming Week was a success the game was a disappointment with a 14-7 loss against Chester. The Homecoming Court included: 4th Maid Kim Dempsay, Escort Steve Hull; 3rd Maid Judy Craig, Escort Bill Timpner; 2nd Maid Pam Kreger, Escort Mark Smith; 1st Maid Jane Giacomo, Escort Mark Peradotta; Queen Jeanne Templeton, Escort Steve Bostick. The Homecoming was sponsored by the Student Council.

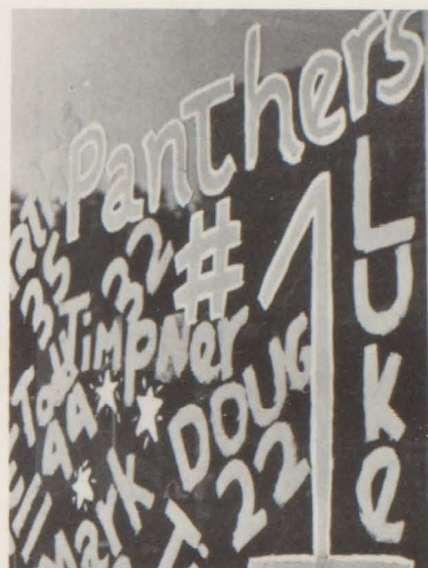

Even Claudine participated in the activities.

This year's Black Masque presented the 3-act comedy "Cheaper by the Dozen."

"Cheaper by the Dozen" is a 1920's period play based on the real-life family episodes of the Gilbreth family. Mr. Gilbreth is a strict disciplinarian, and runs his brood of 12 children with an iron hand. He has them line up in formation and clocks their every move for efficiency.

The story is told by Frank and Ernestine, two of the Gilbreth children.

The Spanish and French Clubs organized committees, and the people from those committees worked towards preparing for the Christmas Dance. This year's theme was "Toyland." Decorations included old-fashioned candies, cookies, ribbons, and strings of cranberries and popcorn that decorated trees. Piñatas in the shapes of toys, and yarn paintings represented the Spanish and French cultures. Jerry Willis and his light show was the featured "disco" music.

The Annual Heart Fund

On March 3, 1952, at the age of twenty-six, Mary Kuykendall Carpenter died of rheumatic heart disease (carditis). Mary had graduated from Pinckneyville Community High School of Pinckneyville, Illinois, in May of 1943. At the time of Mary's death, her mother, Helen Kuykendall, was librarian and senior honor English teacher at P.C.H.S. Due to their concern about Mary's untimely death and their sympathy for Mrs. Kuykendall, the students at P.C.H.S. took upon themselves the desire to express their feelings by proposal of a memorial in honor of Mary. On March 13, 1952, the Student Council comprised a charter which was established as a permanent Heart Fund memorial in Mary Kuykendall Carpenter's name. The framed charter is located in the trophy case at P.C.H.S. and exemplifies the meaning of the fund as "a memorial to all other persons close to the stu-

dents and faculty of Pinckneyville Community High School who may be prematurely stricken with any affliction of mankind against which a fight is being waged by medical research".

With the establishment of this Memorial, February was designated to permanently be Heart Fund month at P.C.H.S. Since 1953, a year has not passed without the student body participating in money-making projects, with proceeds going to the American Heart Association. For the past twenty-six years, the students (under the direction of the Student Council) have not failed to raise at least one thousand dollars each year. Clubs, organizations, and individual groups of P.C.H.S. have contributed this donation for research. Since 1973, the contributions have been given to the Pinckneyville Community Hospital in order to purchase needed equipment for heart problems.

Fifty-Six Seniors Travel to Nashville, Tennessee

On Friday, May 11, fifty-six seniors, along with seven chaperones, departed from Pinckneyville Community High School and ventured to Nashville, Tennessee.

Upon their arrival, the group was taken on a tour of the highlights of Nashville, which included the previous Grand Ole Opry building, the Country Music Hall of Fame and Museum, and various stars' homes.

After the tour, the students and chaperones arrived at the Albert Pick Motel where they ate a buffet supper and were given the remainder of the evening for rest and socializing.

Saturday was spent by attending Opryland, which is about the only Musical Show Park in the whole U.S.A. The park consists of many musical shows, exhibits, rides, shops and restaurants. The group attended the matinee performance at the Grand Ole Opry, which featured such greats as Roy Acuff, Billy Grammar and others. The special event of the day at Opryland was the appearance of CHIC, a rock and disco group, who performed in the Gaslight Theater.

Sunday's interests included the visitation of the Hermitage, the home of President Andrew Jackson. It is located near Nashville and is a national, registered, historic landmark. The 625 acres include the mansion, the museum, the original Hermitage (which is two remaining log cabins of 1804), President Jackson's carriage, the garden, and the tomb of General and Mrs. Jackson. After spending a few hours at the Hermitage, the seniors journeyed back to Pinckneyville.

This year's football team started out strong, winning their first five games before bowing to Chester and Murphy. This gave us a very respectable third place finish in the strong S.W.E. Conference. The team was lead by ten seniors who really inspired a squad that started many underclassmen.

One senior that really stood out was Mark Peradotta, who will play in the North-South All-Star game. This is the first time a Panther football player has been chosen for this prestigious game.

This year the Panthers started off the season in fine fashion winning the first six games before entering the Eldorado Tournament. They were seeded fourth in the tourney. They won their first two games before running into a hot-shooting Norris-City ball-club, but they came back for third place to beat Meridian.

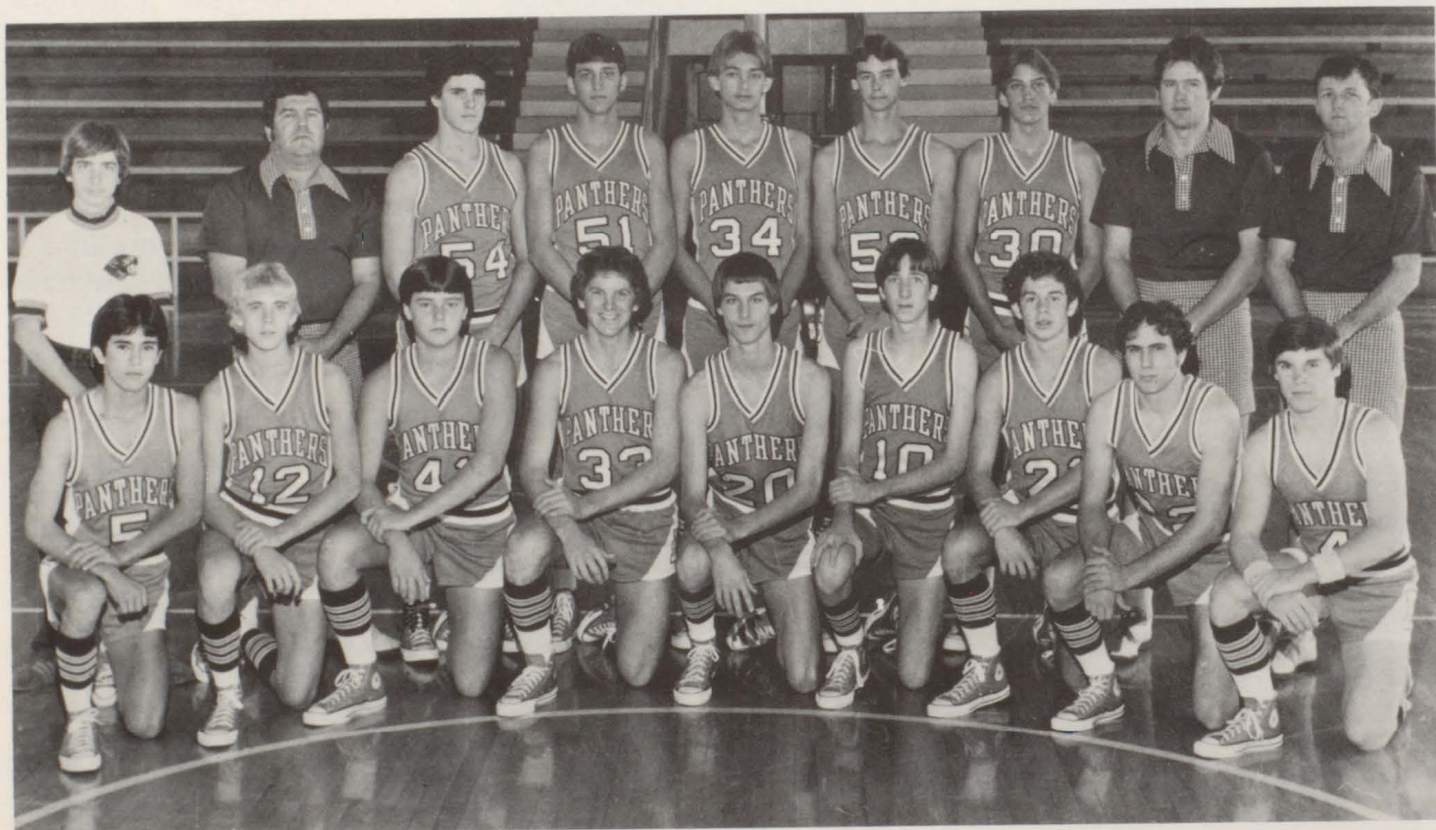

After the Eldorado Tourney they played Nashville, the defending State Champions, and almost pulled off a major upset. Next came the Benton Tournament in which the Panthers won the Consolation trophy.

The Panthers ended the regular season with 18 wins and 7 losses. They were seeded first in their own regional which was won easily by beating Gorham and Chester. In the sectional, however, the team was beaten in the first game by Cairo, making their overall record for the season 20-8.

The J.V.'S ended the season at 17-1. Their only defeat was by Nashville, but they avenged the loss. They buried the Hornets when they met them again at Thomas Gymnasium, 71-50. In the first quarter against the Hornets they almost held them scoreless as a hornet player threw in a last second shot making the score 20-2, Panthers.

Both the Panthers and the Hornets had identical conference records, causing a tie between them for the conference. This is the first time a Panther Basketball team has won or tied for the conference championship.

Spirit and Smiles Cheer Panthers on to Victory

Varsity and J.V. Cheer Together at Sectional

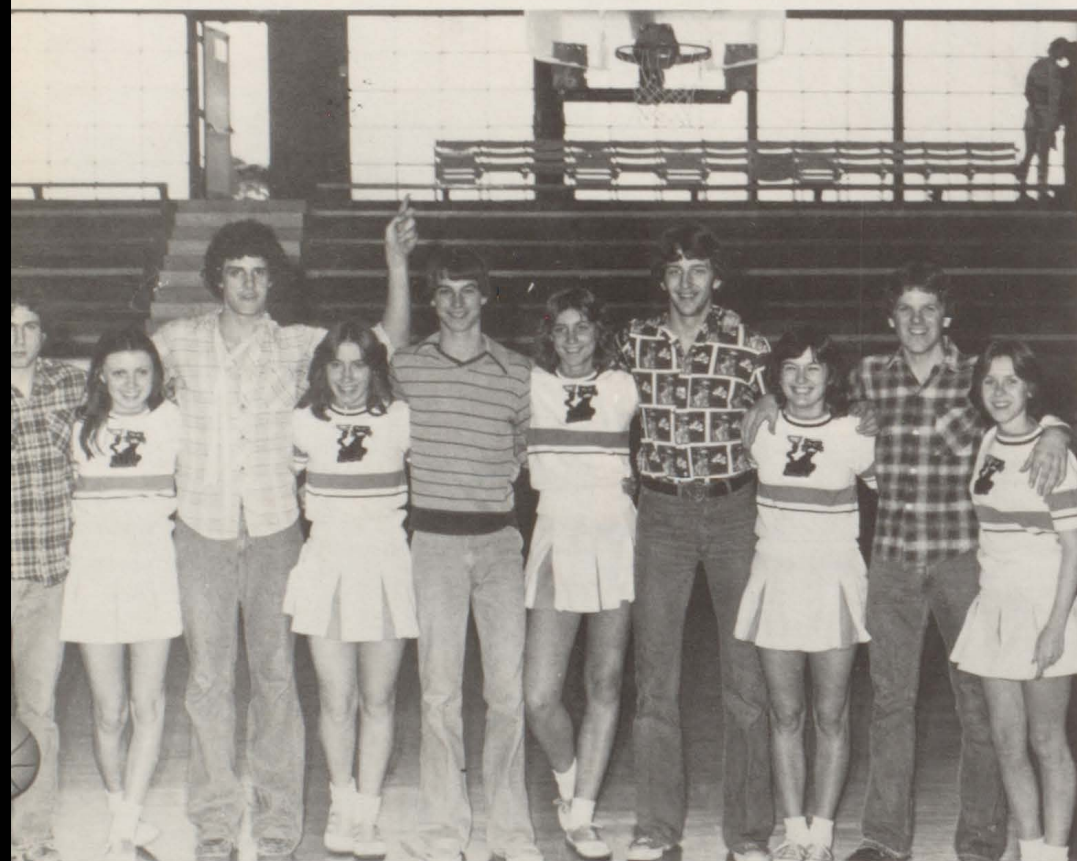

This year's Varsity Cheerleaders attended a NCA Cheerleading Camp at S.E.M.O. Ninety other cheerleading squads from various schools competed for awards there. Our squad won three superior and one excellent ribbons. Also they were recognized as a Super-Star Squad.

The cheerleader's fund raising activities included: cheerleading clinics, car washes, refreshment stands at the boys' track meets, and selling tupperware. The money they earned went toward buying new uniforms.

During the football and basketball seasons the girls showed much spirit and enthusiasm by backing the Panther teams to many happy victories.

The Panther track team showed big improvement and it looks very promising for a bright future. Six seniors will be sorely missed, but several juniors and sophomores were big point producers this year. Three Panthers qualified for the State track meet. Brett McDaniel and Doug Nehrkoin qualified in the pole vault and Dan Carns qualified in the high hurdles.

Three Place in Special Olympics

Preparation and training are crucial to Special Olympics. Almost all local, area, chapter and national Special Olympics programs offer year-round training programs designed to improve the participants' physical fitness and competence in various sports. The athletic competition consists of seven sports: floor hockey, gymnastics, bowling, volleyball, basketball, swimming, and track and field. Over 1600 citizens participate in these events with more than 400 Olympians advancing to the state competition.

The athletes that participate use "Let me win, But if I cannot win, Let me be brave In the attempt," as their motto.

Pinckneyville High School can be proud of their Special Olympians and their accomplishments: Soft Ball Throw — Wanda Wynn: 1st place, and Marlene Baudison, 4th place. Steve Williamson placed 2nd in the 50 yd. dash.

Jack Margenthaler speaks at All-Sports Banquet.

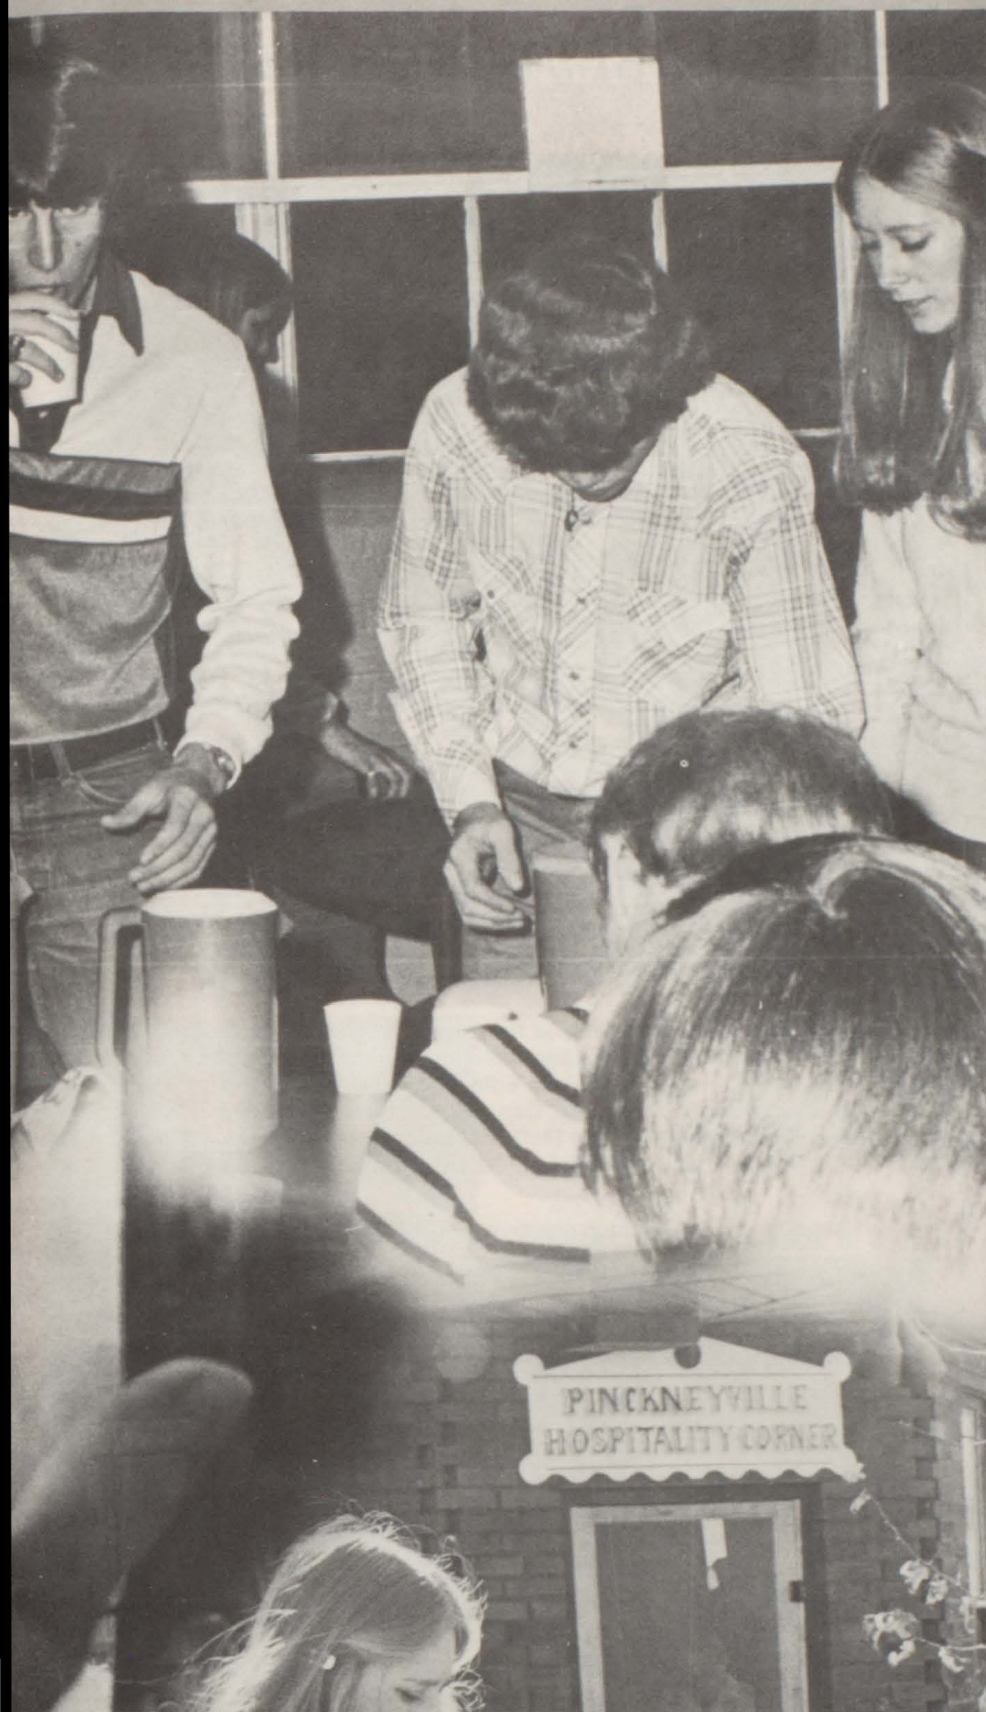

The Seventh Annual Pinckneyville All-Sports Banquet was held May 15 in the Jr. High School Gym. This annual event is sponsored by the Booster Club. A potluck supper led the coaches, athletes, and their parents to an exciting evening. Former Pinckneyville High School Basketball player Jack Margenthaler, presently head basketball coach at Western Illinois University at Macomb, Illinois, was the main speaker. His speech was very encouraging to the young athletes in which he pointed out many reasons for them to find their goal in life. After Mr. Morgenthaler's speech, the Varsity Cheerleaders presented scrapbooks, of the 1978-79 basketball season, to the five senior players and coach Corn. At that time Coach Glenzy announced the MVP for each team: Golf, Randy Corley and Van Craig; Football, Kerry Mathis; Cross Country, Shane Winter; Volleyball, Sherry Steele; Boys' Basketball, Brian Kellerman; Girls' Basketball, Michelle Bird; Wrestling, Craig Williams; Boys' Track, Doug Nehrkorn; Girls' Track, Rae Lynch; Baseball, Greg Bigham; and Softball, Janis Welsch. All senior athletes were awarded a plaque for the sports they participated in their years at Pinckneyville High School.

Bob Heisner, the winner of the 1978 Dennis Nehrkorn "DESIRE" Trophy, given by the Democrat Newspaper, was presented this year to Steve Hull. The Pinckneyville Booster Club Outstanding Senior Athlete Award was presented by the 1978 winners, David Heine and Liz Dudek. The honor of this award went to Doug Nehrkorn and Darlene Kellerman.

Chorus Performs Around Community

Chorus has been more active this year in and around the community, than they have been in many past years. The Chorus has performed at the Scuttle Inn, the Perry Manor Nursing Home, the Lion's Club, the County Teacher's Institute, and the Chamber of Commerce. They have also been involved in two concerts, the Christmas concert and the Senior Recognition Concert. They received 1st at the State Organizational Contest. Eight FHA Members Receive

FFA was busy this year with numerous activities. They participated in the State Crops, Dairy, Fatstock, and Ag Mechanics contests. They received the Bankers Plaque on their Program of Activities and were the Section 24 winner of Chapter Safety.

One of the most outstanding accomplishments this year was winning the District V Parliamentary Procedure Contest held at S.I.U.

Eight senior FFA members met requirements and received their State FFA degrees on stage at the 51st Illinois FFA Convention. At the National Convention, members John Dudek and Bob Templeton received the coveted American Farmer Degree. Also at the National Convention held in Kansas City, Missouri, the PCHS FFA received a National Silver rating on their Program of Activities. The FFA at PCHS is sponsored by Mr. Sam Robb, agriculture teacher.

Juniors and seniors maintaining a 4.75 scholastic average for the nine-weeks grading period are eligible for membership in the Helen Kuykendall Chapter of National Honor Society. The purpose of the organization is to create an enthusiasm for scholarship, stimulate a desire for service, promote worthy leadership, and encourage development of character. Since its organization in 1960, the members have participated in the Heart Fund activities, sponsored a college night, served as Marshals at Baccalaureate Service, and provided services when needed.

French Club Adds Touch of France to Mardi Gras

The French Club has taken an active part in the 1978-1979 school year. A fall picnic at which officers were nominated began the collage of activities. The members sponsored crepe and pastry stands at the Mardi Gras festivities uptown and at the Heart Fund Fair. A decorated car was entered in the Homecoming Parade, and a Christmas Party was given in the school cafeteria. Proving that the Spanish and the French Clubs work well together, these two organizations co-sponsored the Christmas Dance and the Heart Fund activities. End of the year activities included a cooking contest, a club dinner, and a Foreign Language Fair.

"Los Amigos" Elect Officers

The Spanish Club began the year with an election of officers, but in a slightly different manner. To run for office, an individual, had to have signatures on a petition for that office. Those who were not elected to that office formed an advisory council. This year's Advisory Council included Robert Hampleman, Suzanne Gorrell, Mary Miller, Rachel Shelton, Tiffany Shute, and Judy Suchomski.

The first major project of "Los Amigos" was the annual taco stand at the Mardi Gras parade. This was followed in November by approximately 30 students journeying to the Hacienda in St. Louis for dinner. The Christmas Dance in December was co-sponsored by "Los Amigos" and Le Cercle Francais. The theme of "An Old Fashioned Christmas" was carried out with real trees and home-made ornaments. Early in February the club once again joined forces with the French club members and sponsored the Heart Fund Fair. The fair was tremendously successful with over \$1,000 being donated in the name of Mary Kuykendall Carpenter to the local cardiac unit. After many delays due to weather, "Los Amigos" finally arranged to have their winter party in March. It was complete with queso, tacos, and sopaipillas, as well as a rowdy hour of "Victoria!" (Spanish Bingo). The big winners were definitely Scott Kimmel and Rod Chapman. The party signaled the "kick-off" of their second money-making project, which was a jewelry sale. The three winners of daily prizes for that were Staci Stanton, Robert Hampleman, and Sheila Henseler (our top salesperson). The money the club raised from the jewelry sales was used for a trip to St. Genevieve, a one-time Spanish settlement near the Mississippi. The final activity was an awards dinner where pins were presented to students who had been active participants during the year. Members also viewed the film, *El Cid*.

Black Masque Presents Community Bong Show

Bong Show judges, Mr. Ed Birkner, Mr. Richard Luke, and Cathy Vaughn.

Tami Marlow presents a new version of ballet.

The Black Masque sponsored the fall play "Cheaper By the Dozen." This period comedy, set in the 1920's, was presented to the public on two evenings. Both cast and crew spent many hours in rehearsals after school and on Saturdays. While the 17 member cast worked at memorizing the script, the stage crew prepared the living room set for the play. One new addition was the construction of a set of stairs, and extensions of the old flats already in use. The make-up crew kept busy on Saturday morning dress-rehearsals by adjusting to fixing hairstyles and dress styles of the '20's.

The cast voted on the acting awards and engraved plaques were presented during the cast banquet at the Ponderosa in Carbondale, Best Actor, Kirk Hawkins; Best Supporting Actor, Gary Maltby; Best Actress Brenda Schumaier, Best Supporting Actress, Lisa Brand; Most Valuable Newcomers (male), John Zeidler (female), Suzanne Gorrell.

The Black Masque sponsored the Bong Show at the Heart Fund Fair to help raise money. They also presented a Spring Bong Show to help raise money for the production of future plays.

The Shorthand Club's goal during the 1978-1979 school year included becoming more aware of the educational needs of office workers.

Shorthand Club Officers are Shelly Thompson — President, Bonnie Pick, Vice-President, Carol Dalman — Secretary, and Melody Kocian — Treasurer.

A group of interested students got together this year to form PCHS'S newest club, the Photography Club. It was organized to provide a chance for students interested in photography to participate in local and area photo displays and contests, exchange ideas, and skills, and meet with an enjoyable group. Activities included monthly displays of student photos, meetings, and exchange of ideas. The club hopes to become more active in the future.

Student library assistants who maintain a high scholastic average work during the different periods of the day in the library. Several of the students have worked the four years they have attended school. The group participated in the Heart Fund and usually have parties during the year. Officers were David Mucha, president — First Semester; Jeanne Greer, president — Second Semester; Michelle Kocian, vice-president; and Melody Kocian, secretary-treasurer.

The Nurse assistants help in the health service office during their study halls. Duties include keeping daily records, notifying the main office of a student's presence, taking temperatures, administering minor first aid, and other clerical tasks.
